SURYA PRABHA D

GRAPHIC DESIGNER AND UI&UX TRAINER

A highly skilled UI/UX and Graphic Design Trainer with over 2 years of experience in the design industry, specializing in crafting intuitive, user-centered designs and visually compelling graphics. With a passion for teaching and a knack for simplifying complex concepts, I have successfully trained numerous students and professionals, helping them master the fundamentals of user experience design, interface development, and graphic creation.Having worked on a wide range of design projects, from branding and web design to mobile app interfaces, I bring hands-on industry knowledge into the classroom. My training sessions focus on real-world applications, incorporating design thinking, user research, wireframing, prototyping, and visual communication skills.

EXPERIENCE

> **Senior Designer & Trainer | ADSU Media**

July 2023 - Jan 2025

From July 2023 to January 2025, I worked as a Senior Graphic Designer and Graphic Design Trainer at ADSU Media. In my role as a Senior Graphic Designer, I led the creative team in designing visually compelling graphics for digital and print media, including social media posts, marketing materials, and web assets. I collaborated closely with clients and marketing teams to understand project requirements and deliver designs that effectively communicated brand messages. With advanced skills in Adobe Photoshop, Adobe Illustrator, and Figma, I created innovative and high-quality designs while managing multiple projects simultaneously, ensuring timely delivery and maintaining brand consistency. I also played a key role in conceptualizing and executing branding campaigns that enhanced brand visibility and engagement.

In addition to my design responsibilities, I served as a Graphic Design Trainer, mentoring and training a batch of 12 students, transforming them into professional graphic designers proficient in industry-standard tools. I conducted hands-on workshops and interactive training sessions, equipping them with practical knowledge and skills in Photoshop, Illustrator, and Figma. Through my guidance and mentorship, these students successfully transitioned into the professional design industry.

Brochure Design

Indian Railways uses, Public announcement systems deployed in major stations to provide information with related to the arrival / departure of trains. Audio ads are integrated along with these railway information messages prior to and after each train announcement. These announcements are played though high decibel PA System, which will be heard across massive captive audience at the station.

NINJA MEDIA SERVICE

Ninja Media provides various advertising opportunities across railway stations in India.

1. Railway Audio Advertising though LED Panels at select stations
2. Audio – Video Advertising though LED Panels at select stations
3. Hoarding/ Boards at select railway stations
4. On Ground activations in railway stations like Product Placement/ Promotions/ kiosk/ Sampling.
5. Full train wrapping in Select routes.
6. Inside Coach Branding

The Power Of Railway Audio:

Captive Audience
22 Cr Reach captive listeners
Non Skippable
Unique Audience
Most economical medium to reach captive audience
